## OBJECTIVE

Computer Science major seeking summer internship or co-op in Atlanta. Knowledge of Java and C++ programming languages.

## EDUCATION

### Georgia Institute of Technology

December 2017

B.S. Computer Science

*Devices and Info Internetworks* Threads

GPA – 3.23

### Georgia Perimeter College, Covington

Fall 2013-Spring 2015

*A.S. Computer Science*

GPA – 3.87

## RELEVANT COURSEWORK

### Courses Taken:

CS-1332 Data Structures

CS-2050 Discrete Mathematics

CS-2110 Computer Organization and Programming

CS-3510 Design and Analysis of Algorithms

### Currently Taking:

CS-2200 Systems and Networks

CS-4400 Introduction to Database Systems

CS-2340 Objects and Design

## SKILLS

Knowledge of Objective C, C++, **Java**, **XML**, and **HTML** programming languages.

Familiar with IDEs and VCS: Visual Studio, Eclipse, IntelliJ, **Git**.

Designing and customizing Data Structures such as Queues, Stacks, and Trees.

Testing, and debugging GUIs, Assigning Mouse and Keystroke listeners for user input.

Creating XML files for Java programs.

## STUDENT ORGANIZATIONS

*Georgia Institute of Technology Mobile Application Development (GITMAD)*

-Learning about and Developing Android Applications in a team setting

-Last Semester's Project: <https://github.com/git-mad/Bitter>

## HONORS & ACTIVITIES

Dean's List at Georgia Institute of Technology

Fall 2015, Spring 2016

<http://meritpages.com/Param-Ri/3284408>

Dean's List at Georgia Perimeter College

Spring 2014, Fall 2014, Spring 2015

<http://www.gpc.edu/academics/deanslistindex>

Interests: mobile development, small electronics repair & refurbishment
